

RONJE TERNATE

UI/UX DESIGNER

Innovative UI/UX Designer with robust experience in creating intuitive and engaging digital interfaces. Strong focus on user-centred design, ensuring seamless interaction and optimal user satisfaction. Skilled in wireframing, prototyping, and conducting user research to inform design decisions. Proven ability to collaborate with cross-functional teams to deliver high-quality products that enhance user experience and drive business goals.

EXPERIENCE

UI/UX Designer

Southwestern University Pinma - Cebu City, Philippines

- Established and maintained UI and UX design guidelines, standards, and best practices to ensure consistency across platforms.
- Created wireframes, prototypes, and high-fidelity designs to visualise proposed user experience enhancements.
- Adapted quickly to changing project requirements, demonstrating flexibility and problem-solving skills.
- Integrated advanced UI principles for user-centred design.
- Managed multiple projects simultaneously, prioritising tasks to meet deadlines and project goals efficiently.
- Designed intuitive user interfaces for mobile and web applications, enhancing user satisfaction and engagement.
- Read and understand technical texts on Figma on design elements.
- Improved web design and usability through UX testing.
- Innovated new approaches to solve user experience problems, contributing to the continuous improvement of products.
- Analysed user feedback and analytics to identify areas for improvement, optimising user interfaces for better performance.
- Developed ongoing programmes using good team communication and collaboration.
- Collaborated with team members to achieve target results.
